ALERT ALTARIO

In spite of the inclement weather a party of townswomen braved the elements to attend the W. I. meeting at the home of Mrs. Laing, on Saturday. The joyride proved exciting as the trail was frequently completely lost under water, but the intrepid lady driver went up hill and down dale triumphantly over the splashing rivulets and pools that were recently ponds. Much credit is due the pilot for steering safely amidst the storm which was one of the worst the country has ever seen. The ladies took counsel together re money making schemes for the Institute, the object in view being the establishment of a cottage hospital in the town. Papers were also given by Mrs. Morley and Mrs. Conquest on "How to increase the interest in the W. I." and "Summer Drinks." A dainty lunch was served by the hostess and a special welcome was given to the strangers present to join forces with the Altario W. I.

The Stork's visit to Altario brought a bonnie girl to Jack and Mrs. Kennedy. Everyone will be glad to hear that mother and baby are well and getting along nicely. Congratulations.

The opportunities of hearing good lectures are few and far between in the little western towns. We therefore appreciate all the more the offer of Captain Batchelor, of Fusilier, to give an address in the Schoolhouse on "Canada's part in the Great War." We shall hear at first hand the story of our boys over there, the bravery of their achievements, it will doubtless be a tale tragic in its main theme, but we can trust the Capt to show us that even war has its fine side too. The lecture evening will also offer choice musical selections from artists new to Altario, and will conclude with a social hour over the ten cups and a little dance for the young folks. Admission will be by program which will shortly be in the stores of this and the neighboring towns. The date is not yet set.

We had the pleasure of meeting Inspector MacLenn and chatting over the piano problem of our School. It is one of our most urgent needs of the town, the purchase of a good second-hand piano. With that in the school we can start a musical and dramatic class, it will be a boon at all the concerts, a sine qua non at the dances. Who is there in the neighborhood that can send us a contribution to this very deserving cause, The Piano Fund?

We can count on \$50 from the Dept of Education, which is an annual grant to those towns engaged in "community centre" work, and if we are to keep our young folks contented down on the farm we shall have to furnish the fun that they have a perfect right to expect of life in the golden age of childhood and youth. A town without music is the dullest, dreariest place on earth, and our long-suffering organ has bucked and kicked so many times, at dances, that one wonders if it is human and is going on strike until we get the piano we need.

Mrs. Freda Wellar and baby were in town for a short visit and returned to the new camp at Wartime, south of Rosetown.

A Garden Party is to be given at the home of Mrs. McLeod on the 22nd. Alfresco concert, ice cream, etc. All cordially invited.

Miss M. P. Speers of Saskatoon is visiting at the home of her sister, Mrs. J. Dean Robinson. Miss Speers has completed her University Course at Saskatoon and is to be congratulated on passing her exams.

JUDICIAL SALE
OF FARM LANDS

Pursuant to the judgment and final Order of Sale made in this action, there will be sold with the approbation of a Judge or Master of the Supreme Court, by Birdie Roy Cramer, Auctioneer, at the Monitor Hotel in the Village of Monitor, at the hour of 2.00 o'clock P. M. on the 16th day of August, 1919, the following lands and premises subject to the reservations and conditions in the grant from the Crown or in the existing Certificate of Title and excepting mines and minerals.

The South-West Quarter of Section 1, Township 35, Range 5, West of the Fourth Meridian, in the Province of Alberta, containing 152 acres more or less.

The Vendor is informed of the following particulars:

The land is intersected by the C. P. R. about sixty acres being to the North and the balance to the South of the Railway. It is about two miles from Monitor and conveniently situated for the purpose of churches and schools.

About 10 acres have been broken and are in crop and there is an ample supply of water from a creek on the premises.

There are no buildings upon the premises.

The property will be offered for sale subject to a reserve bid.

TERMS: The purchaser is to pay 10 per cent. of the purchase price to the Vendor or its Solicitors at the time of the sale and the balance to be paid into the Court without interest within 60 days thereafter; or in the alternative 10 per cent. as aforesaid and the Purchaser may give a mortgage for \$360.00 for 5 years with interest at 9 per cent. payable half-yearly and pay the balance into Court without interest within 60 days of the sale.

In all other respects the terms and conditions of sale will be the standing conditions of the Supreme Court of Alberta.

Further particulars may be had from Mr. W. G. Harrison, Barrister, 813 McLeod Block, Edmonton, Alberta. Dated at Edmonton, Alberta, this 27th day of June, 1919.

Approved.

Every Farmer
In This District
Should Read The
Nor'-West Farmer

Western Canada's Oldest Farm Paper

If you are already a subscriber you will want to renew your subscription for another year, and if you are not a subscriber to it you ought to be. No farmer in these days of high prices and labor shortage can afford to do anything but his very best. Through a good farm paper you will get ideas worth many times the small subscription price. Each issue of The Nor-West Farmer is full of valuable information that any up-to-date farmer can use to his own direct advantage. It is edited for the whole farm family. If any reader wants information on any subject relating to either their farm problems or anything else The Nor-West Farmer information bureau will get that information for them. Their official veterinarian and legal adviser is at the service of every subscriber, free of all charge. If you have a weed problem, a soil drifting problem, a feed problem, tractor, automobile, or gas engine trouble of any kind, read The Nor-West Farmer, and you will soon get a wealth of ideas from the experience of other farmers who have experienced and solved similar difficulties. The Nor-West Farmer is a "round-table" around which the best farmers of Western Canada meet. Will you be one of them?

Note and Comment

Application forms which must be used by those who desire to ship stock, hay or haying outfits under free freight as arranged between the provincial and federal governments, are being distributed and should be available from all railway agents and at banks or from the Dept. of Agriculture at Edmonton. Shippers this year will have to make application on the regular printed form or else they will not be accepted.

Applications for free freight must be endorsed by the Secy of the Municipality in which the applicant resides or by a bank manager and returned to Edmonton, and it all is in order a certificate for shipment will be issued.

Haying outfits, hay and live stock can be shipped under the free freight regulations.

The Child Welfare Movement is comparatively new in Alberta but it is rapidly coming to be recognized as one of the most important and far-reaching of all the social movements of today. The Alberta Government through its Public Health Dept is giving increased attention to the subject, and is establishing Child Welfare Stations, staffed by Provincial Health Nurses who also conduct health inspections of rural schools.

DEPARTED GLORY

(J. J. Montague)

"The dollar is now worth fifty cents,"—says a banking expert.

How dear to my heart is the memory
that lingers

Of days that—alas!—we shall never
see more.

When, clutching a large silver coin in
my fingers.

I hurried along to the grocery store,
And there purchased flour, and bacon
and coffee.

And prunes in a package and
apricots canned.

Two gallons of coal oil, a half pound
of taffy.

And still held some change, when
I left, in my hand.

The big iron dollar,
The good, honest dollar,
The hundred-cent dollar
I clutched in my hand.

But now, though accustomed to buy-
ing much closer,

Whenever in markets or stores I
appear,

To lay in provisions, the butcher or
grocer

Will glance at my dollar and quietly
sneer.

At the tail of a line of more affluent
buyers,

Awaiting my turn I must patiently
stand.

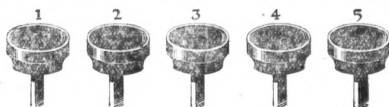

For no one, as far as I gather, desires,
The pitiful dollar I hold in my hand.

The poor little dollar,
The cheap little dollar,
The fifty-cent dollar
I hold in my hand!

Wives are often worried be-
cause they don't know where
their husbands are when out
late at night. They would be
more worried if they did.

Nearly every bridge and cul-
vert in the district has its hump,
either down on a low one or up
on a high one.

The Department of Agriculture has appointed J. Glendenning to receive cattle of consignors in Southern Alberta and dispose of them at the Calgary Stock Yards and make returns to consignors as is done by regular commission men. This is to check the sale of stock to speculative buyers who are combing the country in which the people are suffering most from drought. Owners of cattle are warned by the department that there is no need of sacrificing cattle stock at the prices which some of it is being sold for at present. The open stockyards at Calgary and Edmonton are absorbing all stock at a fair price at the present.

The Outstanding Product of a Large Manufacturing House

FOUR large factories and five dis-
tributing warehouses stand back
of Brandram's Genuine B.B. White
Lead.

Every step in its manufacture is
closely watched by chemical engi-
neers nothing is left undone which
would help to maintain the quality of
the world's finest white lead.

Brandram's Genuine B.B. White Lead

is different from any other white lead. To be-
gin with, it is corroded by several secret pro-
cesses which are then merged into a pigment of
marvellous smoothness. This pigment is ground
no less than five times, first under huge stones,
and finally between heavy steel rolls. In this
grinding process, it is made into a pulp by be-
ing mixed with pure refined linseed oil made
in our own linseed oil mills.

Whenever you paint, use Brandram's Gen-
uine B.B. White Lead if you mix your own
paint. If you want to save the labor of mixing
you can ensure the use of this quality pigment
only by getting B-H "English" Paint.

Mrs. Teetzel having returned
from the East, Creek Valley
School will be reopened on Mon-
day August 18th.

The Hillanvale Trustees not
being able to carry out the ar-
rangement made last year for
the combined annual Sports to
be held there, the Creek Valley
children will have a small social
at a date shortly to be an-
nounced.

The subscriptions to the Gop-
her Fund are very disappoint-
ing. The school children were
promised rewards to stimulate
an active campaign against the
destructive pests and they did
marvelously well, killing no less
than 2138 gophers before May
24th, and earning the praise of
Prof. Jackson who is lending
every aid to encourage the
movement. The Secty would
like to ask every Creek Valley
farmer to give some little to the
fund, if only 10 cents, to show
their appreciation. Think of
what the above catch means.

Had those 2138 old gophers been
allowed to breed there would
have been at least 10,000 more
gophers in this district this
summer. Efforts are being
made to get the Provincial
Government to help next year
with subscriptions, as the Mani-
toba Government already does.

The Creek Valley Girls Walk-
ing Club was entertained by
Mrs. T. C. Harley last week.
They are indefatigable walkers
and in addition to the gain in
health they are improving their
store of Nature knowledge.

Some of their Compositions,
which they read at their meet-
ings, are too good to be lost and
selections will be kept for some
of the social gatherings.
